Cramming

Due to some FCC rules now in effect, we are required to provide you this notice. CTC has made preparations to protect our customers from an illegal form of billing called "cramming". Some unscrupulous "third party billers" have tried to use this opportunity to collect money from people without their permission. Most third party billers are helpful, but it only takes a few bad apples to cause a problem.

FCC rules went into effect which do at least two things: 1) Allow you to block third party billers and 2) Allow us to separate out third party billers from our regular services. This makes them easier to spot.

We have not seen this to be a big problem in our area, but we need to follow the notification rules. We do recommend that you review your bill always and contact us with any questions.

Electronic Banking (ACH)

With our **Direct Payment Program**, you will not have to write another check to pay for your monthly communications bill. When you enroll, we will automatically deduct the 'TOTAL AMOUNT DUE' (found on your bill) from your checking account on the 1st of each month. You will continue to receive your monthly bill for review, but it will reflect 'Direct Payment Program' authorization.

I wish to use Electronic Banking

I (we) hereby authorize CTC Technology, hereinafter called COMPANY, to initiate debit entries to my (our) checking account indicated below, at the depository name below, hereinafter called DEPOSITORY, to debit same to such account from my checking account on the tenth (1st) of each month.

This authority is to remain in full force and effect until COMPANY and DEPOSITORY have received written notification from me of its termination and/or bank account is discontinued, in such time and in such manner as to afford COMPANY and DEPOSITORY a reasonable opportunity to act on it. The notification to the COMPANY should reach them prior to the 20th of the month with termination to affect the next month's billing. I understand that adequate account balances must be maintained by me for the ACH debit on the 1st. If not, a fee will be charged to my telephone account and the resulting non-payment could lead to disconnection of service.

For verification purposes, a voided check must accompany this agreement.
